# WINE LIST

THE BULL INN

# ABOUT

---

## HISTORY

Our stunning, timber-framed building dates back to the 1500s, and holds a huge amount of history. The Bull Inn was originally owned by the Bishop of Salisbury, and was used to provide accommodation for pilgrims to the nearby medieval chapel of St Andrew's. The Bishops of Salisbury sold the nearby Sonning manor to Queen Elizabeth 1st and the pub was named in honour of her steward Sir Henry Neville, whose crest featured a Bull.

The Bull Inn features in writer Jerome K Jerome's book *Three Men In A Boat*. In the book, Jerome describes us as follows:

*"If you stop at Sonning, put up at the "Bull," behind the church. It is a veritable picture of an old country inn, with green, square courtyard in front, where, on seats beneath the trees, the old men group of an evening to drink their ale and gossip over village politics; with low, quaint rooms and latticed windows, and awkward stairs and winding passages."*

## OUR WINE LIST

In addition to a comprehensive main list, we also offer a regularly changing selection of wine by the glass via Coravin. A revolutionary device that allows us to extract wine from a bottle without the need to remove the cork, the Coravin opens up a whole new world of possibility by the glass.

Each month we also complement our list by adding a number of exciting, fine, or unusual bottles in our 'Cellar Select' list. For our latest offering, please see this month's Cellar Select insert.

## HOSTING AN EVENT?
